## **QUOTE OF THE DAY**

“Fight for the things that you care about. But do it in a way that will lead others to join you.”  
– Ruth Bader Ginsburg

“When I was growing up, there were no women in orchestras. Auditioners thought they could tell the difference between a woman playing and a man. Some intelligent person devised a simple solution: Drop a curtain between the auditioners and the people trying out. And, lo and behold, women began to get jobs in symphony orchestras.” – Ruth Bader Ginsburg

“Anyone can negatively criticize - it is the cheapest of all comment because it requires not a modicum of the effort that suggestion requires.” – Chuck Jones

“My own heroes are the dreamers, those men and women who tried to make the world a better place than when they found it, whether in small ways or great ones. Some succeeded, some failed, most had mixed results... but it is the effort that's heroic, as I see it. Win or lose, I admire those who fight the good fight.” – George R. R. Martin

“Talent is cheaper than table salt. What separates the talented individual from the successful one is a lot of hard work.” – Stephen King

“Don't go around saying the world owes you a living. The world owes you nothing. It was here first.” – Mark Twain
